

Client update

DUBAI, UAE, 27th November 2013: The Cragus Group is delighted to learn that their head of Transfer Pricing, Matthew Moriarty, has been nominated by his client and peers to appear in Euromoney's *Guide to the World's Leading Transfer Pricing Advisers*. Matthew is the only transfer pricing adviser to be recognised in the GCC and Arabian Gulf. We would like to thank him for his hard work, and all our clients for their continued support in The Cragus Group's success.

Awards, and recognition for The Cragus Group (established 2006).

2006

- *World Tax 2007* (published October 2006) as a leading tax firm in the GCC.

2007

- *World Tax 2008* (published October 2007) as a leading tax firm.

2008

- *International Tax Review* magazine as a leading tax transactional firm in the GCC (March 2008).
- Received nominations from the *European CEO* magazine for their First Annual Legal Awards, and was runner-up for the Best International Tax Team of the year 2008 in the United Arab Emirates (research primarily sourced from Reuters and Financial News).
- *World Tax 2009* as one of the leading tax firms in the GCC (published October 2008).
- Reggie Mezu, Dr Robert Peake and Mark Stevens all nominated by their clients and peers to appear in the *Euromoney Guide to the World's Leading Tax Advisers*, published December 2008, appearing every two years. Cragus had more individuals nominated than any other firm in the GCC (3 out of 4).

2009

- *International Tax Review* magazine as a leading tax transactional firm in the GCC (March 2009).
- *World Tax 2010* as one of the leading tax firms in the GCC (published October 2009).
"The Cragus Group is the only independent tax advisory firm in the region. Cragus stands out among the other firms in the GCC because it employs a number of local tax professionals".
- Nominated, following research by World News Media research, for Best International Tax Team 2009 in the United Arab Emirates.

2010

- *International Tax Review* magazine as a leading tax transactional firm in the GCC (March 2010).
